About this Student Policy Manual

The policies set forth in this Green Dot Public Schools Tennessee (“Green Dot” or “Green Dot Public Schools”) Student Policy Manual (“Manual”) are intended to inform Green Dot employees and families of students enrolled at Green Dot schools regarding common questions and issues that arise at school sites.

The Manual includes student policies that are intended to be user-friendly and provide insight into Green Dot’s culture, policies, and philosophies. Every situation is different, however, and individual circumstances often require individual solutions. Accordingly, this Manual provides guidelines and is not a contract. Green Dot may vary from any written policy in the Manual as necessary and as permissible by law. This Manual reflects Green Dot’s student policies at the time each policy was last revised.

Green Dot’s Mission

Green Dot Public Schools is a non-profit organization whose mission is to help transform public education so ALL students graduate prepared for college, leadership and life.

Academic Policy

A. 1.0

Policy: Academic Honors

The school will recognize students who have attained outstanding scholastic achievement each year based on the criteria listed below.

GRADE POINT AVERAGE	AWARD
3.0 – 3.40	Honors
3.5 – 3.99	High Honors
4.0 and above	4.0 Club

The Valedictorian(s) and Salutatorian(s) of each graduating high school class will be determined by the highest and second highest grade point average respectively. All students will be considered for these honors including transfer students.

Academic Policy

A. 2.0

Policy: Academic Integrity

Academic integrity is a central tenet to the school's honor code. Students are expected to complete their own work, test without external resources, and submit original work for all assignments. Furthermore, they are expected to deny all requests from others to copy from their work.

If a student violates expectations for Academic Integrity, the following consequences will be issued:

1. All test papers, quizzes, or assignments will be taken from the student(s) violating the policy.
2. A student found cheating may receive, at the discretion of the teacher, a grade of "F" or a zero for the test, quiz, or assignment. This may lower a quarter or semester grade substantially.
3. The student will be placed on a Student Conduct Agreement for a period determined by the administration.
4. Parents will be notified and a parent conference will be arranged if the teacher deems it necessary.
5. Repeated violations or a single serious violation may lead to more serious disciplinary actions, including expulsion.

Academic Policy

A. 3.0

Policy: Grading Scale

The school will implement a uniform grading system that aligns with state and district requirements. Grades will be reported on progress reports, report cards and transcripts as follows:

GRADE	PERCENTAGE	GRADE POINT AVERAGE
A	93% - 100%	4.0 GPA Points
B	85% - 92%	3.0 GPA Points
C	75% - 84%	2.0 GPA Points
D	70% - 74%	1.0 GPA Points
F	0% - 69%	0 GPA Points

GRADES OF INCOMPLETE: The grade of “I” (Incomplete) may only be given when extended illness or other unusual circumstances warrant giving the student additional time to fulfill the course work. These grades must be removed within six weeks of the next semester or they become an “F.”

ATTENDANCE: In adherence with the Green Dot Attendance Policy, any student who misses more than 15 days in a semester may not earn credit.

STATE ASSESSMENTS

- **HIGH SCHOOL:** Student scores on the state assessment may comprise 25% of the student’s final grade.
- **STATE ASSESSMENTS for MIDDLE SCHOOL:** Student scores on the state tests will comprise 15% of the student’s final grade for the spring semester in the subject areas of Mathematics, Reading/Language Arts, Science, and Social Studies.

Academic Policy

A. 4.0

Policy: Grade Changes

TEACHER REQUEST FOR A GRADE CHANGE: After grades are submitted, teachers must submit any request to change grades to the Principal. All grade changes will be documented in student's cumulative folder using the official Green Dot Request for Grade Change form. The Principal will make the final determination on requests for grade changes.

STUDENT REQUEST FOR A GRADE CHANGE: A student or the student's parent/guardian may request a change of grade. Students shall address all grade change requests with the teacher first. If the teacher refuses to change the grade, then the pupil may submit a request as follows.

1. The request must be made in writing and should be directed to the Principal within ten (10) school days of the start of the new quarter/semester. The Principal or Principal's designee will attempt to resolve the appeal with a written response within ten (10) school days. The Principal shall consult with both the student and the teacher to determine if there is any evidence of fraud, clerical error or bad faith. The burden of proving the allegation is upon the student.
2. After request at the school level, if further appeal is desired, the appeal should be made to the Green Dot Public Schools Tennessee Executive Director for resolution with a written response within fifteen (15) school days. The Executive Director shall give the teacher the opportunity to address any concerns raised by the pupil.

If any appeal is denied, the parent may place a written rebuttal to the action in the student's file. The grade change request process will be modified for homeless students.

Academic Policy

A. 5.0

Policy: Withdrawal Grades

Green Dot does not grant credit for courses if the student transfers to an external school prior to the end of a semester. The current grade in Power School will be assigned as a progress grade for work completed at the time of the transfer. The receiving school is responsible for granting credit.

If the student is transferring out of a Green Dot school 20 schools days or less prior to the end of the semester, the student will be responsible for all course requirements and must take the final in order to receive credit. A student will be granted an Incomplete "I" until the final exam and course requirements are completed. If the student does not take the final or complete the course requirements, he or she will automatically receive a failing grade on those assignments (including the final exam). These missing grades will result in a lower grade. The grade of an "I" must be removed within six weeks or it becomes an "F".

An exception to Green Dot's general prohibition of granting course credit to student who transfers mid-semester for foster youth, who shall receive full or partial credits based on seat-time for all work satisfactorily completed before transferring schools. Upon receiving notification from a receiving school that a foster youth is transferring away from a Green Dot school, Green Dot will issue check-out grades based upon the current grade assigned in PowerSchool, and award full or partial credits on an official transcript and send to the receiving school.

Academic Policy

A. 6.0

Policy: Middle School Promotion, Graduation & Acceleration

These policies help ensure that each Green Dot student progresses through grade levels after attaining adequate achievement in his/her present grade level (i.e., without social promotion) to prepare for success in high school, college, leadership and life.

Middle School Promotion

To be considered for promotion to the next grade level, each middle school student (grades 6 - 8) must obtain sufficient academic credit in required courses during that school year in accord with Green Dot's grading scale (see Green Dot Policy , "Grading Scale"). Middle school students are required to receive academic instruction and participate in the subject areas of English, Reading, Mathematics, Social Science, and Science.

Any student who misses a certain number of days in a semester in a class period may not earn credit in that course (see Green Dot Policy C. 1.0, "Attendance, Absenteeism, Truancy and SART"). Students who fail more than two courses per school year may not be promoted to the next grade level (i.e., that student may be retained in the same grade level for the following school year). Students who fail one or two courses in a school year may be required to pass summer school to be promoted to the next grade level.

Green Dot administration reserves the right to review special circumstances and allow consideration to be given.

Acceleration

When high academic achievement is evident, the Executive Director or designee may recommend a student for acceleration into a higher grade level. The student's maturity level shall be taken into consideration.

Middle School Commencement Ceremony Participation Recommendations

Each Green Dot middle school may require its students to complete any or all of the following to be eligible to participate in the school's commencement ceremony:

1. Community service hours (Green Dot recommends ten hours per school year);
2. Adherence to all disciplinary contracts/agreements.

A student may be prohibited from participating in the commencement ceremony for academic, behavioral, or other reasons at the school Principal's discretion and with the Executive Director's approval.

Academic Policy

Results of all group tests shall be recorded on the student’s permanent record and shall be made available to parents and appropriate personnel in accordance with established procedures.

Attendance Policy

B. 1.0

Policy: Excused and Unexcused Absences

Tennessee law requires that all children between the ages of six (6) and seventeen (17) attend school. At Green Dot, attendance is also mandatory for students who have been remanded to attend alternative education programs. Attendance is a key factor in student achievement; therefore, students are expected to be present and on-time each day that school is in session. Students and parents/guardians are responsible for ensuring regular school attendance. Unexcused absences are prohibited by law and policy.

Green Dot will notify parents/guardians when students are absent or excessively tardy, provide opportunities to restore the student's attendance, and offer access to resources to address truancy challenges.

EXCUSED AND UNEXCUSED ABSENCES

Absences shall be classified as either excused or unexcused as determined by the principal or designee. Excused absences shall include:

1. Personal illness or hospitalization of the student;
2. Illness or incapacitation condition of an immediate family member that requires the temporary help of a student;
3. Death in the immediate family;
4. Validated court appearances of the student;
5. Religious observances;
6. One-day absence when the parent/guardian is deployed for military service and one-day absences when the parent/guardian returns from military service; or,
7. Circumstances, which in the judgment of the principal, create emergencies over which the student has no control.

Attendance Policy

B. 2.0

Policy: Make Up Work

The student is excused for the day(s) of absence, not the material covered in class. Therefore, it is the student's responsibility to request make-up work in all classes.

Attendance Policy

B. 3.0

Policy: Reporting an Absence

The parent or guardian must notify the school office by 9:00 am each day that the student is absent. If the parent/guardian does not make the call by 9:00 am, the school will notify home in an effort to find out if the student has an excused absence.

PROCEDURE FOR RETURNING TO SCHOOL AFTER AN ABSENCE: A student who does not receive approval from the school for an excused absence must submit documentation from a parent or guardian or other appropriate person describing the excused absence immediately upon the student's return to school or no later than three (3) days after the absence was taken. If no documentation justifying the absence as excusable is submitted within the three-day period, then absence will become an unexcused absence. The school is required to keep on file a note signed by a parent/guardian for every student absence. The note must be legible and written in ink. A valid note should contain:

- Full name of the student
- Date(s) or time of absence
- Specific reason for absence
- Telephone numbers where both parents/guardians may be reached (home and work)
- Signature of parent or guardian

Attendance Policy

B. 4.0

Policy: Early Dismissal

After their arrival on campus in the morning, students may NOT leave campus until dismissal time. Students leaving campus without permission are considered truant. If a student requests an early dismissal (for example, if a parent/guardian is picking him/her up for a doctor's appointment), the parent/guardian reports to the office to sign out the student.

The school may deny an early dismissal request if it falls within the final 60 minutes of the school day.

Attendance Policy

B. 5.0

Policy: Tardies

A student is considered tardy if he/she is not in the appropriate seat when the bell rings signaling the start of class. If a student arrives late to school, he/she must obtain a late-slip from the school office. Any tardiness of more than 30 minutes for any class is considered an unexcused absence. Excessive tardies will result in disciplinary action.

TARDIES BETWEEN CLASSES: Students have an allotted time to travel from one classroom to another. Students who take longer than that time will receive an unexcused tardy from the teacher.

Attendance Policy

B. 6.0

Policy: Truancy

If a student is absent without an excuse, schools may implement varying interim parent communications and school-based interventions to encourage regular school attendance. Once a student accumulates 10 unexcused absences in a single school year, s/he is considered a “truant” and his or her attendance record will be reported to the district and to the TN Department of Education. Each successive accumulation of five (5) unexcused absences shall also be reported.

If a parent or legal guardian fails to take appropriate action within three (3) days of truancy notification, the case may be referred to Juvenile Court, the District Attorney’s Office, and/or the Department of Children’s Services for appropriate legal action. Referrals to local law enforcement may go to court for Educational Neglect and result in fines and court-ordered programs.

Any student under age 18 is considered a dropout if he or she is absent ten (10) consecutive days or fifteen (15) unexcused absences in a single semester and system policies and procedures on truancy have been followed.

Attendance Policy

B. 7.0

Policy: Student Attendance Review Team (SART)

The Student Attendance Review Team (SART) aims to work with families to ensure that students comply with compulsory education laws. SART is both a prevention and intervention tool that can be utilized to address trancies, excessive tardies, and excessive absences. The SART's duties include:

- Reviewing school-wide attendance data
- Creating prevention strategies to encourage consistent student attendance
- Identifying students struggling to meet attendance expectations
- Creating intervention plans for struggling students
- Monitoring progress of students on contracts
- Determining consequences for excessive absences, up to and including, loss of course credit or referral to the judicial system

SART Members: The SART consists of the Principal and designated classified and certified staff members. The student and parent/guardian experiencing attendance issues are encouraged to participate in the SART process. Members shall be trained and shall understand the confidential nature of the SART when dealing student names and identifying information. Members should meet on a regular basis to execute the duties defined above. In addition, the SART should convene as required when a student has accumulated an excessive amount of absences or trancies.

Process for Addressing Excessive Absences:

Absences	Totals by Semester	Contract	Person(s) Responsible	Interventions/Consequences
Phase 1	3 Absences	Send Warning Letter	Office Staff	<ul style="list-style-type: none"> • Parent phone call • After school detention
Phase 2	5 Absences	Send 5 Day Notification Letter	Counselor	<ul style="list-style-type: none"> • Parent conference • Create Attendance Intervention plan
Phase 3	10 Absences	Send 10 Day Notification Letter	Counselor/Admin	<ul style="list-style-type: none"> • Parent conference • Student Contract created
Phase 4	20 Absences	Send 20 Day Notification Letter	Counselor/Admin	<ul style="list-style-type: none"> • Student Contract reviewed • Potential Loss of Course Credit • Potential Referral to Judicial System

Inactive Status: After three days of consecutive absence, the SART process will begin (see truancy matrix). After 10 days of consecutive absence with no response to phone calls or certified letters, or the SART process, a student will be placed on inactive status, withdrawn for school, and records will reflect that the student voluntarily withdrew from school. Students who are inactive are no longer part of the school's enrollment count. Any student who becomes inactive will be returned to active status once he/she returns to school and will be placed on the waiting list if applicable. A meeting of the SART will be convened immediately.

Legal Interventions: The SART reserves the right to involve the judicial system in cases of excessive absences, excessive tardies and habitual truancy.

Calendar & Bell Schedule Policy

C. 1.0

Policy: Green dot School Year Calendar

Green Dot Public Schools Tennessee will offer a minimum of 182 days of instruction per school year. Whenever possible, Green Dot will align its calendar with the school calendars provided by the Achievement School District and Shelby County Schools.

The GDPST calendars will be published on school websites and distributed to families annually.

Calendar & Bell Schedule Policy

C. 2.0

Policy: Bell Schedule

Green Dot will offer a six (6) period bell schedule with an additional advisory period. The school may alter the regular bell schedule to accommodate holiday release, student testing and teacher professional development.

School bell schedules will be published on school websites and distributed to families annually.

Code of Conduct Policy

D. 1.0

Policy: Progression of Disciplinary Procedures

Each student is expected to behave in a manner that exemplifies dedication, discipline, desire, honesty, loyalty and respect. Students will be held responsible and accountable for behavior that conveys these principles. Proper behavior is expected at all school-sponsored activities both during and after the regular school day. Green Dot believes it is the role of educators to teach students proper behavior and to work with students who make poor decisions so they can become equipped to be college and career-ready adults. Students who consistently or repeatedly fail to uphold the Green Dot standards of conduct and behavior, however, may be subject to disciplinary action up to and including expulsion.

For the purposes of this handbook, “Suspension” shall be defined as dismissed from attendance at school for any reason for not more than ten (10) consecutive days. Multiple suspensions shall not run consecutively nor shall multiple suspensions be applied to avoid expulsion from school. “Remand” shall be defined as assignment to an alternative school or program. “Expulsion” shall be defined as removal from attendance for more than ten (10) consecutive days or more than fifteen (15) days in a month of school attendance. Multiple suspensions that occur consecutively shall constitute expulsion.

PROGRESSION OF DISCIPLINARY PROCEDURES

Teachers are responsible for the day-to-day discipline in their classrooms within the understanding that teachers have many different roles beyond just disciplinarian. Teachers work with their students to meet their individual needs and work together to find a common ground in the classroom, to ensure that learning can take place. Disciplinary options available to the teachers include: warning, detention, parent-teacher communication, counseling referral, written assignment, and discipline referral to the administration. The Discipline Matrix can be found in Code of Conduct Policy D 2.0.

ADMINISTRATIVE DETENTION: These detentions are typically held after school. During the detention period, students are to sit quietly and complete assignments. No activity such as listening to music, sleeping, etc. is permitted. This detention is served after school and may consist of writing an assignment, sitting quietly in a classroom or assisting with cleaning of the campus. School events, activities or athletics are not valid reasons for missing a detention.

After a student is given a school detention, the student’s parent/guardian may be notified by telephone by the Principal or designee.

Code of Conduct Policy

D. 2.0

Policy: The Discipline Matrix

The matrix below outlines the three-tier system for responding to both major and minor infractions.

Violation	Description	Examples	Potential Consequences
Mild	A mild behavior infraction is a minor misbehavior that does not impede the learning of others or only does so to a minimal extent.	<ul style="list-style-type: none"> • Minor uniform infraction • Failure to complete work • Chewing gum • Food/ drink violation • Calling out 	<ul style="list-style-type: none"> • Teacher intervention through any of the following techniques: non-verbal correction, gentle verbal reprimand, proximity correction or humor.
Moderate	Moderate behavior infractions are misbehaviors that more persistently impede the learning of the student or their peers	<ul style="list-style-type: none"> • Instigating a fight • Insubordination/ defiance • Tagging • Inappropriate use of technology • Verbal altercation • Profanity/ foul language not directed at an adult 	<ul style="list-style-type: none"> • Detention (lunch or after school) • Referrals • Parent conference • Parent shadowing • Loss of student privileges • Suspension (or ISS) • Student agreement • Other school service
Severe	Severe behavior infractions are misbehaviors and actions that are very serious violations of our Code of Conduct, and/or are criminal violations of California law.	<ul style="list-style-type: none"> Bullying Drug distribution Leaving class without permission Destruction of property Fighting Brandishing a weapon Gang activity Terrorist threats 	<ul style="list-style-type: none"> • Detention (lunch or after school) • Suspension (or ISS) • Discipline Review Board • Student agreement • Probation • Expulsion

ADMINISTRATIVE AFTER SCHOOL DETENTION: These detentions are up to 60-minute detentions that occur after school five minutes after the dismissal bell. Students must report to detention on time and remain in detention for the entire time to clear the detention.

During the detention period, students are to sit quietly and complete assignments. No activity such as listening to music, sleeping, etc. is permitted. This detention may consist of writing an assignment, sitting quietly in a classroom or assisting with cleaning of the campus. School events, activities or athletics are not valid reasons for missing a detention.

After a student is given a school detention, the student’s parent/guardian may be notified by telephone by the Principal or designee.

ADMINISTRATIVE LUNCH DETENTION: Students will receive a detention reminder slip, which will have the date of your detention and the room lunch detention will be held. Students will have three minutes to report to the lunch detention room. The expectation for students is to serve their lunch detention the next time lunch detention is offered (Ex. Student receive lunch detention on Monday, student will serve lunch detention on Tuesday). Students who do not attend lunch detention will receive a school-wide detention, which may disqualified them from the next merit event (Exceptions will be made for students who were absent on the day of detention).

HOW TO EARN MERITS

Teachers should award merits anytime a student displays a “merit worthy” behavior. Merit worthy behaviors are observable actions that indicate or exemplify preparedness for college, leadership and life.

Buckets of “Merit Worthy” Behavior:

Preparing For College	Preparing for Leadership	Preparing For Life
Academic discourse High level questioning Persisting with difficult content (in class or out of class)	Taking Initiative Striving For Excellence	Showing Respect Acting Responsibly Interacting Positively and appropriately in all settings Nurturing Diversity and Collaboration

Code of Conduct Policy

D. 3.0

Policy: Serious Infractions

In order to assure a safe and secure learning environment free of drugs, violence, and dangerous weapons, any student who engages in the following behaviors may be subject to suspension for a period of not less than one (1) school year.

1. Unauthorized possession of a firearm
2. Committing aggravated assault of a “teacher, principal, administrator, any other employee of an LEA or school resources officer”
3. Possession of illegal drugs

Expelled means removed from the student’s regular school or removed from school attendance all together.

Remanded means removed from the student’s regular school and placed in an alternative school. Green Dot Public School’s Executive Director may modify this expulsion on a case-by-case basis.

The following behaviors are also considered serious infractions and may lead to immediate suspension and/or remand.

1. Violence or threatened violence against the person or property of any personnel or any student attending or assigned to any school;
2. Possession of a pistol, gun or firearm on school property;
3. Possession of a knife or other weapons, etc., as defined in TCA 39-6-170, on school property;
4. Willful or malicious damage to the theft of real or personal property of the school or the property of any person attending or assigned to the school;
5. Unlawful use or possession of barbitol or legend drugs as defined in TCA 53-10-101;
6. Unlawful use or possession of alcohol;
7. The sale or distribution of drugs and alcohol;
8. Assault or battery on school employees; (*this includes physical and explicit verbal assault*)
9. Willful and persistent violation of the rules of the school or truancy (*with prior unsuccessful interventions*)

Code of Conduct Policy

D. 4.0

Policy: Gang Affiliation

Green Dot's Gang Policy balances the need to maintain student/campus safety with our responsibility to help identified students out of a dangerous lifestyle. The Administration has the discretion to recommend disciplinary consequences for students involved with gangs on campus. Administration should follow these guidelines when deciding appropriate interventions and consequences for students:

- Where gang-related activity is the cause of a major violation of the student code of conduct (major-violation is regarded as one where a long-term suspension or an expulsion is the consequence), such students should be moved immediately towards expulsion.
- Where gang-activity is identified, but not an immediate threat to school/campus safety, administrators should enter the student into disciplinary probation with a Student Conduct Agreement.

Code of Conduct Policy

D. 5.0

Policy: Suspension and Expulsion

A student may be suspended or expelled/remanded for serious infractions. Misbehaviors in violation of the Student Code of Conduct not otherwise constituting an expellable offense may become a serious infraction subject to expulsion and/or suspension when the misbehavior is so persistent that, in cumulative effect, it is significantly disruptive of the educational process. The decision to expel shall be based on an assessment of the facts and circumstances of each case. Relevant factors, without prioritization, include, but are not limited to, the seriousness of the misconduct, the student's age, grade level, history of prior misconduct, health and safety issues, and disruptive effects upon the educational process.

SUSPENSION PROCESS

In addition to the above list of serious violations, the Principal or designee has the authority to suspend a student for a period of up to five (5) school days to further investigate an incident or because of an emergency constituting endangerment to health or safety of students or staff.

1. PREREQUISITES TO SUSPENSION

Prior to suspending a student, the Principal or designee must hold an informal conference with the student to:

- a) Notify the student of the accusations against him/her;
- b) Allow the student to relate his/her version of the incident; and
- c) Determine whether the student's conduct warrants suspension.

2. NOTIFICATION TO PARENTS/GUARDIANS

If the Principal or designee determines the student's conduct warrants suspension during the school day, the Principal or designee must notify the student's parents/guardians that the student has been suspended before the student is sent home on the day the suspension occurs. The Principal/School Director or designee will notify a suspended student's parents/guardians of the period of suspension, the grounds for the suspension, and the time and place for an opportunity to confer with the Principal/School Director.

3. CREDIT DURING SUSPENSION

A student shall receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of school days the student was absent on suspension.

EXPULSION PROCESS

This process applies to expulsions (removal from the regular program for more than ten (10) days). When Green Dot Public Schools Tennessee finds the most serious disciplinary consequence – expulsion from school – to be required for a student, it should follow the steps below before applying an expulsion.

• PREREQUISITES FOR EXPULSION

Prior to remanding a student, the Principal and/or designee must hold an informal conference with the student to:

- a. Notify the student of the accusations against him/her;
- b. Allow the student to relate his/her version of the incident;
- c. Suspend the student for five (5) days pending a decision on an expulsion.

• NOTIFICATION OF PARENTS/GUARDIANS

If the remand/expulsion is applied, the principal or designee shall immediately give notice of the remand/expulsion to the parent or guardian. After providing notice, the school should obtain the parent's signature or, if the parent or guardian cannot be reached, mail a certified copy of the notice to the student's home address. The remand/expulsion notice shall include the effective date and length of the remand/expulsion, the reason for the remand/expulsion, and information about the parent's right to appeal

the expulsion decision at to the GDSPT Executive Director. The notice shall also state that failure to timely request an appeal constitutes a waiver of further rights in the matter. All remand/expulsion appeals must be filed at the charter network level, orally or in writing, within five (5) days after receipt of the notice and may be filed by the student, legal parent or guardian..

- **APPEAL TO A DISCIPLINARY HEARING AUTHORITY APPOINTED BY THE SUPERINTEDENT**

Appeals of remands/expulsions shall be heard by a disciplinary hearing authority, consisting of members appointed by the Superintendent. Each appeal shall be heard by a hearing authority with at least one licensed employee of the ASD or one of its authorized schools. The hearing shall be audio recorded.

The Superintendent or designee shall give notice of the time and place of the hearing to the parent or guardian, the student, and the principal or school designee. The Superintendent or designee shall also notify the parties that:

- The notice shall include the reasons for the remand and state the same student rights as provided for suspension hearings, above.
- The hearing will be held within ten (10) days of the receipt of the request for appeal.
- The hearing authority may affirm the decision of the school or order adjustment or removal of the remand/expulsion upon such terms and conditions as it deems reasonable.

- **DECISION OF THE DISCIPLINARY HEARING AUTHORITY**

Immediately following the appeal hearing, the hearing authority will notify the student and the student's parents/guardians in writing of his/her decision. The decision shall specify:

- The length of the expulsion, if any;
- Assignment to an alternative school, if applicable;
- When the expulsion is not permanent, the procedures for re-admittance at the end of the expulsion period; and
- The right to appeal the decision to the ASD Superintendent or designee.

- **NOTIFICATION OF ASD OFFICE OF SUPERINTENDENT**

If the remand/expulsion is applied, all paperwork should be sent to the ASD's Manager of Enrollment and Discipline within two (2) days of the decision to remand. The ASD will partner with the parent to assign the student to an alternative school. In order to facilitate the ASD's swift placement of the student in alternative school and minimal lost instructional time, the remand notice to the ASD must include all required submission components as specified in the ASD's Remand/Expulsion Checklist, submitted no more than seven (7) days after the incident occurred.

- **APPEAL TO THE ASD SUPERINTENDENT OR DESIGNEE**

The student or his/her parents/guardians may appeal the Disciplinary Hearing Authority's decision. The appeal process is as follows:

- Parents may request a review by the ASD Superintendent by notifying her in writing within five (5) calendar days of the date of receipt of the decision by the Disciplinary Hearing Authority.
- The ASD Superintendent will review the audio or transcribed record from the hearing.
- The ASD Superintendent or designee will notify the student and his or her parents/guardians of the decision, in writing, within five (5) school days of the request for a hearing.

D. 6.0

Policy: Discipline for Students with Disabilities

Schools may discipline students with disabilities using in-school suspension, or out-of-school suspension. During in-school suspension, the school provide comparable services to the student's IEP and allow opportunities for the student to participate in his or her general curriculum.

A school may suspend a student with a disability for up to 10 days without a duty to provide continued services specified in the student's Individual Education Program (IEP), review his or her Behavior Intervention Plan (BIP), or reconsider the Functional Behavior Assessment (FBA).

If a student is remanded, removed from primary school longer than 10 days, a manifestation determination review (MDR) must be conducted within the first 10 days of the student's removal. Parents must be notified at least 24 hours prior to the MDR. The MDR shall be used to determine (1) whether the conduct in question was caused by, or had a direct or substantial relationship to the child's disability, or (2) whether the conduct in question was the direct result of the school's failure to implement the IEP. Regardless of the MDR determination, services shall recommence on the 11th day of the student being removed from their primary school.

If the MDR determines that the conduct for a non-zero tolerance offence was a manifestation of the student's disability, the school must do the following: (a) conduct or review the student's FBA, (b) develop or modify a BIP, and (c) return the student to placement from which he or she was removed unless parents and school agree to a change of placement as part of modifications to the IEP or BIP. If the conduct was a zero tolerance offense, the student can be placed in an alternative education setting for up to 45 days. If the MDR determines that the conduct was not a manifestation, the student shall be disciplined in the same manner as non-disabled students would be for similar violations. The school will remain responsible for service provision.

Parent or school appeals of the MDR determination must be conducted within 20 days of notice of the MDR decision by the school. Green Dot Public Schools has 10 days to render an appeal decision. During the appeal process, the student shall continue receiving disability services. Schools have the right to appeal to the special exceptions ruling if continuing IEP services is substantially likely to result in injury to the student or others.

Students suspected of a disability should receive IDEA discipline protections if the school has knowledge that the student may have a disability before the misconduct occurred. If the misconduct occurs and the parent then alleges the child has a disability, the child will not receive discipline protections for that misconduct.

Code of Conduct Policy

D. 7.0

Policy: Corporal Punishment

No employee of the Green Dot shall engage in corporal punishment, condone its use, or seek permission from another (including a parent) to administer it. Some examples of corporal punishment include, but are not limited to:

- Shoving, striking, grabbing, shaking or hitting a student
- Throwing objects at a student
- Unreasonable restraint of a student
- Directing others to engage in any of the activities listed above

There may be times when a Green Dot employee may need to use physical contact with a student. This should only be done for reasons of self-defense or defense of another. Any action done for these reasons must be:

- Proportional to the student's conduct; and
- The most restrained means available to control the situation

Resorting to physical contact to protect oneself or another and/or regain/maintain order must be a last resort after all other reasonable means have been exhausted. Restraint and/or isolation of special education students are governed by relevant TN state law. Each situation will be reviewed by Green Dot Public Schools Tennessee.

Code of Conduct Policy

D. 8.0

Policy: Safe Relocation of Students

Employees who are directly responsible for a student's education or who otherwise interact within the scope of their assigned duties may relocate a student from the student's present location to another location when such relocation is necessary for the student's safety or the safety of others, or intervene in a physical altercation between two (2) or more students to end the altercation by relocating the student. Such employees may use reasonable force to physically relocate the student or intervene in a conflict if the student is unwilling to cooperate with the employee's instructions.

If an employee is unable to resolve the matter with the use of reasonable or justifiable force are required, the student shall be allowed to remain in place until such a time as local law enforcement officers or school resource officers can be summoned to relocate the student or take the student into custody until such a time as a parent or guardian can retrieve the student.

In the event that physical relocation becomes necessary, the teacher shall immediately file a report of the incident with the building principal. If the student's behavior constitutes a violation of the Green Dot Student Conduct Policy, then the report shall be placed in the student's permanent record. Otherwise, the report shall be kept in the student's discipline record, and not become a part of that student's permanent record.

Each building administrator shall fully support the authority of the employees' authority under this policy, and fully implement the policy and procedures of the system.

The student should expect disciplinary action consistent with our progressive discipline policy. A phone call home may be made on the first offense for any student who fails to comply with the dress code. Enrollment Policy

F. 1.0

Policy: Student Eligibility and Enrollment Policy

As a member of the Achievement School District, Green Dot Public Schools Tennessee adheres to the ASD enrollment policy. The ASD guarantees enrollment to all attendance area students at either their assigned neighborhood school or an equivalent placement. ASD schools enroll all students in accordance with Tennessee legislation and civil rights laws. Enrollment is non-discriminatory on the basis on disability. The ASD also guarantees the continued enrollment of non-attendance area students (e.g. transfers) who attended an ASD school prior to the transformation.

In the event of additional capacity, ASD schools can serve other eligible, but not 'guaranteed enrollment' groups of students. The following policy outlines the application, lottery, and waitlist processes that govern enrollment in the ASD.

STUDENT ELIGIBILITY AND ENROLLMENT PRIORITY

The Achievement School District's annual cycle of enrollment begins with conversations following the announcement of new ASD schools. ASD staff work with Green Dot to analyze current enrollment, attendance area student population, and building capacity for each ASD school. These discussions provide a perspective on various enrollment scenarios and an estimated number of preliminary seats available for non-attendance area students.

The ASD guarantees enrollment to all eligible students, as defined by state and federal laws. Enrollment eligibility is defined in three ways:

1. Priority-zoned. Students who, at the time of enrollment in an ASD school, reside in the designated attendance area of a school on the 2011 or 2015 Tennessee Priority list. a. NOTE: This applies to the attendance area of the school at the time that it became a priority school. A student is still ASD eligible if a local education agency creates new options, or even a new zone, for the priority school.
2. Priority-enrolled. Students who are not zoned to a priority school, but who, at the time of enrollment in an ASD school, are currently enrolled in a school on the Tennessee Priority list. This eligibility also applies to students who were enrolled in a priority school through the end of the previous school year.
3. Homeless students are eligible for enrollment in all GDSPT schools

Generally, ASD schools have limited student enrollment. However, in accordance with T.C.A. 49-13-106(a), qualifying ASD charter schools may serve a limited number of non-priority zoned students who meet one of the following criteria:

- a. child of a teacher, staff member, sponsor, or member of the governing body;
- b. Eligible for free or reduced price lunch; or
- c. Failure to test proficient on state standardized tests (EOC/TCAP/TNReady) in the previous school year. ASD schools that qualify to enroll students under this exception are (1) Tennessee charter schools, (2) that earned a TVAAS of 3, 4, or 5 in the previous year or are new schools, and (3) have conducted an initial enrollment period of at least 30 days and still have capacity to serve additional students. The enrollment of additional students under T.C.A. 49-13-106(a) may not exceed 25% of the school's total enrollment. The ASD has established an enrollment priority group structure to ensure that its schools serve certain students. Each transformation model carries certain requirements. Schools with attendance areas must serve all students assigned to their school. If a school has additional seats available after all students with guaranteed enrollment are offered seats, the school may offer enrollment to students according to the following Priority Groups.

Enrollment Policy

F. 2.0

Policy: Enrollment Process

The Achievement School District’s annual cycle of enrollment begins with conversations following the announcement of new ASD schools. ASD staff work with school operators to analyze current enrollment, attendance area student population, and building capacity for each ASD school. These discussions produce an estimated number of preliminary seats available for at each school.

ASD school enrollment begins in early February. During the enrollment period, the ASD communicates to families about their school choices, student eligibility, the benefits of enrolling early and how to enroll in their preferred schools. Charter networks also directly communicate with surrounding families and communities to inform them of their school choices, share the experiences of students and families in their schools and create opportunities for school staff to learn more about and prepare to meet the needs of prospective students.

At the end of the enrollment period, ASD operators review enrollment requests. If a school has additional seats available after all eligible students with guaranteed enrollment are offered seats, the school must host an enrollment lottery to determine enrollment order for the remaining students. Each lottery process is either (a) approved by the ASD prior to implementation or (2) required to be certified by a law or accounting firm after its completion.

Lotteries proceed according to the following priority groupings based on the transformation model. These priority levels apply to determine the order of enrollment when an ASD school has more interested students than they can accommodate. These priority levels do not create initial eligibility to attend an ASD school.

Priority Group	Description	Status
Attendance area	Students with current, legal residence in an ASD school’s attendance area	Guaranteed
Continuity	Non-attendance area students who attended the school the previous year (including students on transfer)	Guaranteed
Sibling	Brothers and sisters of enrolled students – either attendance area or continuity	Not guaranteed
Other ASD zone	Students with current, legal residence in another ASD school’s attendance area	Not guaranteed
Other priority school zone	Students with current, legal residence in a non-ASD Priority School attendance area	Not guaranteed
Other at-risk or children of staff, sponsor, or governing body (for qualifying ASD charter schools only)	Students meeting one of the following criteria: o Eligible for free or reduced price lunch, o Failed to test proficient on a prior year’s TCAP or End-of-Course exam, o Children of staff, sponsor, or governing body	Not guaranteed (may comprise no more than 25% of student body)

Enrollment Policy

F. 3.0

Policy: Wait List Policy

Openings may not exist for all students who participate in a school's enrollment lottery. If no opening exists, the student will automatically be waitlisted for his/her school choices. The order that a student is randomly identified in the lottery determines the order of that student on the school's waitlist.

The process of admitting students from the waitlist will be managed by the Operator. If a school would like to offer a seat to a student on the waitlist, it will select the highest ranking student, in accordance with ASD's Enrollment Priority Groups. Upon enrollment, the student is removed from the waitlist.

Waitlist policy differs slightly for students who live in an ASD school's attendance area, but apply to attend another ASD school. In the event that an opening does not exist for a student at the student's preferred school, the student will be placed on that school's wait-list and assigned to the student's neighborhood ASD school. In order to prevent unnecessary intra-district enrollment variability, ASD students can remain on other ASD schools' waitlists for the first two weeks of the school year. Following the first two weeks, those students will be removed from each school's waitlist. Students who live in the attendance area of other Priority Zone schools not served by the ASD may remain on waitlists indefinitely.

Enrollment Policy

F. 4.0

Policy: Immunizations

No students entering school will be permitted to enroll (or attend) without proof of immunization, as determined by the Commissioner of Public Health. It is the responsibility of the parents or guardians to have their children immunized and to provide such proof to the principal of the school which the student is to attend.

Exceptions, in the absence of an epidemic or immediate threat thereof, will be granted to any child whose parent or guardian shall file with school authorities a signed, written statement that such measures conflict with his/her religious tenets and practices; or due to medical reasons if such child has a written statement from his/her doctor excusing him from such immunization. The immunization requirement may be waived for Homeless Students.

Proof of exceptions will be in writing and filed in the same manner as other immunization records.

A list of transfer students shall be kept at each school throughout the school year in order that their records can be monitored by the Department of Health.

Enrollment Policy

F. 5.0

Policy: Transfers Into School

1. Achievement School District TO Achievement School District
2. Other LEA TO Achievement School District

Ultimately, ASD school and operator leadership are responsible for deciding whether or not to receive a transfer student. The Achievement School District would like to ensure that its schools are able to make transfer enrollment decisions with full information and context. Accordingly, the following process should be followed when a transfer student arrives at an ASD school:

1. Ask the family to provide the name of the student's previous school and school district.
2. If the student is transferring from Shelby County Schools, require the family to present a copy of the SCS Withdrawal Entry Form. An ASD school should not register a transfer student until it can confirm the student has been appropriately withdrawn from his/her previous school.
3. ASD schools are encouraged to call the student's previous school directly to confirm the reason the student is no longer enrolled in the school.

ASD schools can choose to enroll a transfer student, even if he/she has an outstanding expulsion. However, administrators should always conduct the appropriate diligence before registering a student. Once a student has been registered at an ASD school, that school assumes responsibility for his/her education and placement.

Enrollment Policy

F. 6.0

Policy: Transfers Out of School

1. Achievement School District TO Achievement School District
2. Achievement School District TO other LEA

When a student transfers out of the ASD school, district and school/operator leadership must make an effort to understand a student's needs, attempt to address those needs in the current placement, and inform families of available school options. Transfers should always be requested by families. Under no circumstances should ASD staff directly 'counsel out' or advise a family to seek a voluntary transfer. In the event that an ASD school cannot adequately serve a student's needs or there are extenuating safety, discipline, or medical issues – school and operator leadership should work with ASD Support Team staff to find a suitable administrative placement. For questions or assistance with administrative placements, please contact the district's Special Education Manager for special education issues and the Manager of Enrollment for all other issues.

In the event that a family voluntarily requests to transfer a student to another school, the following process should be followed:

1. The family should contact the student's current school to discuss the transfer request process and receive a Transfer Request Form. The parent should complete, sign, and submit the form to the student's current school.
2. A follow-up meeting and exit interview is required for all transfer reasons other than moving/relocation. The school leader (or designee) will contact the family to arrange a meeting to discuss the transfer within 5 school days of receiving a completed Transfer Request Form. At the meeting, the school leader (or designee) will conduct an exit interview with the family, student, and other school staff as necessary. The exit interview ensures that the family has been adequately informed of options and that the ASD understands and documents the family's reasons for requesting a transfer. The Exit Interview Summary Form outlines the information that should be captured.
3. The school leader should discuss available school options with the family. Potential options include another ASD school, the student's zoned school (if different), an SCS school, or a private/parochial school. The family should be given some time to make a decision.
4. School leaders are encouraged to place a courtesy phone call to the student's new school to confirm capacity exists and the student will be registered upon arrival. Under no circumstances should a family be granted a transfer without some confirmation of capacity for that student at another school. For questions or assistance in securing a new placement for a student, please contact the Manager of Student Membership & Access.
5. Once a transfer has been granted, an ASD Withdrawal Form should be completed and the family should be issued a copy of the Transfer Request Form. Both ASD and SCS schools have been instructed not to register transfer students without the proper, signed withdrawal documentation.

Please use the enrollment hotline and enrollment email if you need more information or have questions (901-877-8ASD and enrollment@tn-asd.org).

Additional processes exist to ensure Green Dot appropriately serves families of students with disabilities or other special needs.

Extra-Curricular Activities Policy

G. 1.0

Policy: Athletic Eligibility

All Green Dot campuses follow the guidelines established by the SCIAA and TSSAA. Students must maintain a minimum grade point average of 2.5 for the previous grading period to remain eligible.

Students who fall between a 2.0 and a 2.5 GPA, are placed on probation for one quarter. During the probationary period, students will continue to participate in practice and games as long as they meet all requirements of the Student Athlete Probationary Agreement.

In addition to meeting GPA expectations, student athletes will be expected to adhere to the following guidelines:

- Athletes cannot receive a semester grade of “F” in any subject.
- Students must exhibit satisfactory citizenship and conduct on and off the field.
- Students must observe all regulations outlined in the current addition of the SCIAA guidelines.
- Students must pass a physical examination given by a medical doctor.
- Students must carry adequate insurance.

The mission of our athletic programs is to provide student athletes with competitive opportunities in interscholastic sports. It is our goal that each student athlete will learn and demonstrate the life-long values of leadership, sportsmanship, teamwork, and integrity.

Extra-Curricular Activities Policy

G. 2.0

Policy: Extra-Curricular Eligibility

STUDENT LEADERSHIP: Students wishing to apply for or maintain leadership positions must meet the following requirements for academics, attendance, and behavior:

- Students must maintain an overall GPA of 2.5 or higher, with no failing grades.
- Students must attend school regularly – a student with 10 or more absences may be removed from office.
- Students must be in good behavioral standing – a student earning an out-of-school suspension may be removed from office.

Any student can be excluded from social activities for academic or behavioral reasons.

Health & Welfare Policy

H. 1.0

Policy: Administration of Medication During the School Day

Green Dot may not furnish any medications. School personnel are prohibited by law from giving any medication to a student unless the student's physician has given written instructions. All medications require physician and parent/guardian authorization. Once authorization is obtained, the medication must be given to the Office in original containers, labeled with the name of the medication, dosage, name of student, and frequency of administration. Over the counter medications should be in original sealed packages with directions for administration. Medications will be stored in a secure location labeled with the student's name, dosage, and time to be given. Parents will be notified if a student requires an "only if needed medication" while at school. Medication administration will be documented in a medication log maintained for each child. This form will be incorporated into each student's permanent file upon transfer or graduation.

Health & Welfare Policy

H. 2.0

Policy: Communicable and Infectious Disease

No student will be denied an education solely because of a communicable disease, and his/her educational program shall be restricted only to the extent necessary to minimize the risk of transmitting the disease.

Parents or guardians of infected students shall inform appropriate school officials of the infection so that proper precautions for the protection of other students, employees, and the infected student shall be taken.

No student with a communicable disease which may endanger the health of either himself/herself or other individuals will enter or remain in the regular school setting. If a school principal has reason to believe a student has a communicable disease which may endanger the health of either himself/herself or other individuals in the regular school setting, the principal shall:

1. Assign the student to a setting which will protect other students, employees and the student himself; or
2. Exclude the student from school until certification is obtained from a physician or the County Health Department by either the parent or principal stating that the disease is no longer communicable.
3. If the superintendent/designee has reason to believe that the student has a long-term communicable disease, the principal must require confirmation from a physician or the County Health Department as to the student's condition. If the student is confirmed to have a long-term communicable disease the principal shall refer the student for special education services.

Green Dot may request that further examinations be conducted by a physician or County Health Department and may request periodic re-examinations after the student has been readmitted to the school.

Expenses incurred from examinations requested by school officials shall be paid by the school.

Health & Welfare Policy

H. 3.0

Policy: Epinephrine Auto Injectors

During the enrollment process, parents/guardians must indicate if their child has any chronic health problems, medical conditions, medications, or allergies on the Enrollment Form.

Stocking: Green Dot shall obtain a prescription for epinephrine auto-injectors (“EpiPen”) from an authorizing physician and surgeon that includes at least one regular EpiPen per Green Dot school, unless there are students at the school who require a junior EpiPen. Such a prescription may be filled by local or mail order pharmacies or EpiPen manufacturers. Green Dot recommends that each Green Dot school stock a minimum of two regular EpiPens. The designated school administrator is responsible for restocking EpiPens.

Volunteer Requests: Green Dot will distribute an annual notice to all school staff that contains the following information:

- a description of a volunteer request stating that the request is for volunteers to be trained to administer an EpiPen to a person if the person is suffering, or reasonably believed to be suffering, from anaphylaxis; and
- a description of the training that volunteers will receive.

Training: Each school’s Office Manager, Parent Coordinator, and Office Assistant(s) will be trained to administer EpiPens, and receive annual refresher training. Such training shall be consistent with the most recent “Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs” published by the federal Centers for Disease Control and Prevention and the most recent guidelines for medication administration from the CDE.

Administration: If a student is, or reasonably believed to be, suffering from an anaphylactic reaction, only the school’s Office Manager, Parent Coordinator, Office Assistant, or volunteer staff member who has received EpiPen training can administer the EpiPen to the student. During the administration of the EpiPen or as soon as practicable thereafter, or if no trained individual is present at the time of the anaphylactic reaction, the school will immediately call 9-1-1 to request an emergency response and stay with the student until paramedics arrive. The school will also contact the student’s parent/guardian and physician as soon as practicable upon learning of the student’s anaphylactic reaction.

Policy: Home and Hospital Schooling

Green Dot requires regular attendance at school to ensure students receive a quality education. If a student incurs more than 10 school days of consecutive absence because of health or physical impairment he/she shall seek home and/or hospital based instruction.

Home and hospital schooling shall begin as soon as the student's physical and mental health permits. The amount of instructional service time provided through the home and/or hospital program shall be determined in relation to each student's education needs, as well as his/her physical and mental health.

If a student is eligible for home and/or hospital schooling an Educational Planning Conference will be convened by an administrator within 5 days of the receipt of the written request and doctor's forms. This meeting will include the parent, student, Counselor, and a grade level representative and will determine the schedule for the home school teacher to provide service.

A student who requires home and/or hospital schooling on a temporary basis shall be provided with instructional services sufficient to enable him/her to return to school with a minimum of difficulty. **Instructional tutoring should not be less than five (5) hours per week unless the physician certifies that the student should not receive this level of instruction due to medical reasons.** A student who requires home and/or hospital schooling for an extended time shall be provided with instructional services sufficient to appropriately advance the student's basic educational development.

A student may receive home and/or hospital schooling through telephonic or other electronic communication systems if such a system is available to the student and instructor. **However, at least two (2) hours per week of direct instructional services shall be provided.** All instructional services and home visits will be documented via Power School to ensure the student's needs are being met.

Before a student returns to school, an Educational Planning Conference must be held wherein the school approves a plan for successful re-entry. The plan will be created by the parent, Counselor, administration, the physician/therapist (if necessary), and the home school teacher. A student will not be permitted to return to classes until the plan has been approved.

Long-term Hospitalization

In the event a student must be hospitalized for a long period of time (i.e. for physical or psychological reasons or for treatment with substance abuse) he/she may retain his/her status at Green Dot.

If the hospitalization is for physical reasons, an administrator or designee will serve as the liaison between the family, hospital and school. The administrator will meet with the school Counselor and student's teachers to determine the education needs of the student. The administrator is responsible for the ongoing coordination of the student's educational program.

If the hospitalization is for psychological or substance abuse reasons, a school psychologist will work with the administrator as the liaison between the family, home, and school. Before discharge of the student and his/her return to school the school psychologist and administrator will conduct a meeting with all school professionals who will be working with the student to determine the strategies needed for a positive transition to the school setting.

Policy: Illness at School

1. A staff member will assist a student in need of help for sudden illness or injury occurring in school. Conditions occurring at home should be taken care of before coming to school.
2. Students should be covered under family insurance. The school is not responsible for medical bills for injuries occurring at school.
3. The secretary/administrator does not diagnose illnesses. Students who are unable to remain in class because of illness will be sent home. Parents will be contacted to make transportation arrangements for their student to go home if s/he is too ill to stay in school. No student will be allowed to leave the campus without parent notification. If ill, the student should be given care at home or, if the condition persists, the student should seek medical attention.
4. Arrangements to leave school because of illness or injury must be made through the office.
5. Health matters are treated confidentially.
6. Students expecting to be absent two weeks or more for medical reasons MUST contact the office regarding home instruction. The student's physician must make a request for home instruction.

Policy: Injury or Medical Illness

All injuries and illnesses MUST be reported to the nearest faculty member in charge or to the office. Most injuries are avoidable if safety rules are observed.

Parents are advised that if their child is hurt at school, there is no school insurance to cover medical costs. In case of injury, Ánimo staff will administer first aid. An ambulance will be called in case of serious injury. The school will immediately notify parents or other adults listed on the emergency form.

If a student feels sick at school, he/she will be able to lie down. If the student is running a fever or has severe illness symptoms, parent will be notified. Students cannot be released until a parent or guardian (*listed on the emergency card*) comes to pick them up.

Policy: Pregnant or Parent Students

Pregnant or parenting students, regardless of their marital status, have the right to attend Green Dot Public Schools and to participate in any program or activity for which they would otherwise qualify in an environment free from discrimination or harassment. Classes, programs and materials offered to pregnant and parenting students must be equal to those offered to other students and students must be provided access to those classes needed to complete their course of study.

Pregnant and parenting students have a right to full participation in school classes, programs, and activities and it is the school's responsibility to make reasonable accommodations to keep pregnant students safe on campus and facilitate their continued participation. Such accommodations may include, but are not limited to: additional time for use of facilities and class changes and home schooling during absences due to pregnancy related illness or recovery. Students should not be checked out from a school based on their pregnancy or parenting status. Students shall not be required to attend a charter school, and charter staff may present alternative educational opportunities to pregnant or parent students, so long as the staff also informs the student that she/he has the right to continued attendance at Green Dot.

Policy: Science Laboratory Safety

Green Dot recognizes the importance of providing a safe school environment that is conducive to learning and helps ensure student safety and the prevention of student injury. Green Dot shall ensure that all of its staff who work, teach, or supervise in a laboratory environment (e.g., science teachers) are provided with the Green Dot Lab Safety Handbook as it may be updated from time to time, to review and adhere to such safety standards.

Green Dot shall provide schools with eye safety devices for use whenever students, teachers, or visitors are engaged in or observing an activity or using hazardous substances that is authorized in advance by Green Dot likely to cause injury to the eyes. Eye safety devices may be sold to students for an amount not to exceed their actual cost to Green Dot.

Policy: Suicide Prevention

Green Dot recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students, families, and stakeholders, Green Dot has developed this policy to codify preventive strategies and intervention procedures.

Prevention and Instruction

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with the school and is characterized by caring staff and harmonious interrelationships among students.

Green Dot's comprehensive health education program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and self-esteem. Suicide prevention instruction may be incorporated into the health education curriculum in the secondary grades. Any such instruction shall be aligned with state content standards and shall be designed to help students analyze signs of depression and self-destructive behaviors, including potential suicide, and to identify suicide prevention strategies. At appropriate secondary grades, Green Dot's suicide prevention instruction shall be designed to help students:

1. identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide; identify alternatives to suicide and develop coping and resiliency skills; learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent; and identify trusted adults, school resources, and/or community crisis intervention resources where youth can get help and recognize that there is no stigma associated with seeking mental health, substance abuse, and/or suicide prevention services

Green Dot may offer parents/guardians education or information which describes the severity of the youth suicide problem, Green Dot's suicide prevention curriculum, risk factors and warning signs of suicide, basic steps for helping suicidal youth, and/or school and community resources that can help youth in crisis.

Professional Development

Suicide prevention training for staff shall be designed to help staff identify and respond to students at risk of suicide. Any such training shall be offered under the direction of a Green Dot counselor/psychologist and/or in cooperation with one or more community mental health agencies and may include information on:

1. research identifying risk factors, such as previous suicide attempt(s), history of depression or mental illness, substance use problems, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe stressor or loss, family instability, and other factors;
2. warning signs that may indicate suicidal intentions, including changes in students' appearance, personality, or behavior;
3. research-based instructional strategies for teaching the suicide prevention curriculum and promoting mental and emotional health;
4. school and community resources and services; and
5. Green Dot procedures for intervening when a student attempts, threatens, or discloses the desire to commit suicide.

Intervention

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, he/she shall promptly notify the principal or school counselor. The principal or counselor shall then notify the student's parent(s)/legal guardian(s) as soon as possible and may refer the student to mental health resources in the school or community. Students shall be encouraged to notify a teacher, principal, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

To ensure student safety and appropriate communications in the event that a suicide occurs or an attempt is made on campus or at a school-sponsored activity, Green Dot shall follow any established crisis intervention procedures in the school safety plan. After consultation with the Superintendent or designee and the student's parents/guardians about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the principal or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. School staff may receive assistance from school counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

When a suicide attempt or threat is reported, the principal or designee shall:

1. Ensure the student's physical safety by one of the following, as appropriate:
 - a. securing immediate medical treatment if a suicide attempt has occurred;
 - b. securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened;
 - c. keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene
2. designate specific individuals to be promptly contacted, including the school counselor, psychologist, nurse, superintendent, and/or the student's parent/guardian, and, as necessary, local law enforcement or mental health agencies;
3. document the incident in writing as soon as feasible;
4. follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed;
5. provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at the school
6. provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

Parent & Guardian Policy

I. 1.0

Policy: Communication

Green Dot Public School believes that the communication between parents/guardians and the school is integral to the success of a student. Parents can expect that all communication will receive a response within 48 hours or two (2) school days.

SCHOOL TO HOME COMMUNICATION:

- **TEACHERS CONTACTING PARENTS BY PHONE:** Expect regular phone calls from teachers regarding your child's progress. If you do not hear from one of your child's teachers, do not assume your child is doing satisfactory work. The only way to assure your child is on track is to communicate with your child's teachers by phone, email, or by scheduling an appointment.
- **AUTOMATED COMMUNICATION SYSTEM:** Staff members and/or parent volunteers call home on a regular basis to inform parents of school events and to discuss specific issues regarding individual students. The school may also use an automated calling or email system to remind parents of schedule changes, holidays, or other important announcements (e.g., student absences or truancy). Please make sure that you provide the office with the phone number and email that is best for receiving such communication. Should you wish to change this contact number or email address during the school year, please provide the office with the change in writing.
- **SCHOOL CORRESPONDENCE:** School bulletins, monthly calendars, flyers and letters from the Principal are sent home with students or mailed on a regular basis. Please ask your child or check your mail for school correspondence in order to keep informed of what is happening at school.

HOME TO SCHOOL COMMUNICATION

- **CHANGE OF CONTACT INFORMATION:** Parents/guardians will be asked at the beginning of each school year to provide the school with current contact and emergency information. If your contact information changes during the school year (including all telephone numbers), it is the responsibility of each parent/guardian to provide the Main Office with this new information in writing. The school cannot assume responsibility for missed communications in the event that the contact information is misreported or not updated by the parent or guardian.
- **PARENTS/GUARDIANS CONTACTING TEACHERS:** All teachers and staff members have email accounts where they can be easily contacted. From Power School, you may click on the teacher's name on your student's web page to send an email. You may also contact teachers by leaving a message with the main office.
- **MESSAGES AND DELIVERIES TO STUDENTS:** Students may not use the office telephones except for school business or emergencies approved by the administration. In an effort to limit classroom disturbances, staff will only deliver urgent messages to students during the instructional periods.

AUTOMATED COMMUNICATION SYSTEM

Staff members and/or parent volunteers call home on a regular basis to inform parents of school events and to discuss specific issues regarding individual students. The school may also use an automated calling or email system to remind parents of schedule changes, holidays, or other important announcements (e.g., student absences or truancy). Please make sure that you provide the office with the phone number and email that is best for receiving such communication. Should you wish to change this contact number or email address during the school year, please provide the office with the change in writing.

1. The website location: <http://ps.tn.greendot.org/public>
2. Your Username
3. Your Password

User name and password information is distributed to parents during the School Orientation, Back to School Night, and by contacting the main office.

Safety Policy

J. 1.0

Policy: Agency and Police Interrogation

Protection of student rights shall be balanced with Green Dot's responsibility to cooperate with local police and agency officials in the investigation of unlawful activities. Inherent in the process of cooperation is recognition of the function of the schools and respect for the civil and constitutional rights of students.

In matters involving threats to the safety of the students or staff, law enforcement officers specifically summoned by administrators or asked to remain on school premises by administrators are authorized to act as agents of the school, unless such authority is explicitly and specifically withdrawn. When acting on behalf of Green Dot, the officers will have the full scope of authority in dealing with students that the Principal would have in such situations.

Security officers and police officers whose regular duties involve working on the school campus shall have the authority set forth in the preceding paragraph.

When any law enforcement officer requests an interview with a student, the principal or designee shall request the officer's identity, his/her official capacity, and the legal authority under which the interview is to be conducted. The principal or designee shall require the officer to complete the form entitled "Investigations Conducted on [SCHOOL] Premises" prior to any such interview. The principal or designee shall maintain a record of all documentation relative to law enforcement interviews of students. The principal or designee shall accommodate the interview in a way that causes the least possible disruption for the student and school and provides the student appropriate privacy. At the law enforcement officer's discretion and with the student's approval, the principal or designee may be present during the interview.

When appropriate, school personnel will attempt to call parents/guardians to notify them of interrogation in advance.

Except in cases of child abuse or neglect, the principal or designee shall attempt to notify the student's parent/guardian as soon as practicable after the law enforcement officer has interviewed the student on school premises. If a minor student is removed from school into the custody of law enforcement, the principal or designee shall attempt to notify the student's parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse.

Although subpoenas may legally be served at school on students age 12 or older, Green Dot believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the principal or designee shall take reasonable steps to protect the student's privacy rights and to minimize loss of class time for the student.

If access is required to apprehend/arrest a student, the principal or designee should be informed. If a student is apprehended, all reasonable efforts shall be made to remove the student from class or other public area and away from other students in the public prior to such apprehension.

VICTIM INTERVIEWS BY SOCIAL SERVICES: Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child.

A staff member selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements:

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.

2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act.

Policy: Banned Substances

Smoking is prohibited on campus or at any school event. Green Dot schools are 100% drug and alcohol free campuses. Green Dot's Drug/Alcohol Policy ensures a drug and alcohol free campus while enabling students who are struggling with drug and/or alcohol abuse to receive the treatment they need.

J. 3.0

Policy: Barring Disruptive Persons from School Sites

The following guideline is prepared to assist school site administrators in dealing with disruptive persons who interfere with the normal course of business at school sites. Numerous laws and regulations give the site administrator the absolute right to insist on good order on their campus. This guideline lists the steps necessary to bar disruptive persons from the campus.

A. Important facts to remember are:

1. No person has the right to interfere with the orderly delivery of instruction.
2. Parents and guardians have a constitutional right to participate in the education of their children.
3. A parent's right is at all times tempered with the need to preserve order and tranquility at their children's school.

B. Parents and guardians who have been restricted from their children's school site can only legally remove children for the following reasons:

1. Disciplinary situations
2. Medical attention
3. Family emergencies

The restricted parents/guardians can only enter the "common area" or school office to request release of their children. They will not be allowed in other areas of the site.

C. In all cases of conflict, the school desires a positive outcome for all parties involved. If a parent/guardian or other person causes a systematic disruption of the educational environment, their access onto the school site will become limited and/or restricted.

The following are general guidelines for dealing with parents/guardians who are disruptive to the educational process on school sites.

1. When staff reports that a person is disruptive to the educational environment, that person should be **immediately** escorted to the school office. The school office is considered a "common area" where public business is conducted. An administrator will talk to the reported offender to determine if a productive solution can be found for the problem. The school's "Visitor Log-In Book" should be checked to see if the individual signed in. If not, the disruptive person will be informed that **all visitors to the campus are legally required to report to the office** prior to entering the campus for any reason. In all cases, if the disruption is extreme or involves any threat of violence, the school Security staff should be contacted to intervene and escort the visitor off campus. Also, if appropriate, call local law enforcement at 911. An Incident Report about the problem **will** be filed by the site administrator.
2. If the situation is not resolved on the first encounter, documentation will be prepared to track the problem behavior. This documentation is essential should the problem escalate and enforcement action (**an arrest**) is necessary. The administrator will consider some of the following steps as he/she attempts to resolve the problem.
 1. Meet with the parent/guardian and school staff and attempt to resolve the problem. Set up a specific set of guidelines to govern behaviors while the person is on campus.
 2. Consult with the Green Dot Public Schools Tennessee Executive Director regarding the behaviors exhibited by the disruptive person. By making Green Dot aware of the situation, it helps guarantee a more rapid response if there are continuing problems.

3. Send a “**stay away letter**,” which is designed to require a meeting prior to the disruptive person being allowed back on the school site. The required meeting will accomplish the following objectives:
 - o Requires the person to always report to the office, sign in and contact an administrator prior to conducting business at the site. Remember the office is a “common area” for conducting business.
 - o Forbids the person from going directly to a classroom or playground without being escorted.
 - o Discusses the specifics of the person’s disruptive behavior and advises them that they can be **arrested** for violations.
 - o In cases of extremely disruptive behavior, a Security staff member may be assigned to assist the disruptive person with their interaction at the school site.
 - o The letter is canceled in 14 days. This legal mandate does not relieve the disruptive person receiving the letter from obeying some fundamental rules and conditions of access after the 14 days. These would include:
4. Required reporting to the office to sign in prior to conducting business on site.
5. Calling and making an appointment prior to arriving on site.
6. Never going directly to a classroom or playground without an escort. Remember outside of the office is not a “common area”. Thus, a classroom or auditorium is not a “common area” and the offender can be forbidden access to this area.
7. All behavior while at the school site must be appropriate as defined by the site administration.
8. This letter is one of the last efforts made by staff to avoid possible stricter enforcement action (**arrest**).
9. If all efforts have been unable to resolve the behavior, then the Executive Director should be notified.

Safety Policy

J. 4.0

Policy: Child Abuse Reporting

Because immediate investigation by child protective agencies of suspected abuse may save a student from repeated injuries, any teacher, or other staff member, who suspects that a minor has been subjected to physical injuries, neglect, sexual abuse or emotional maltreatment, is mandated by the Child Abuse Reporting Law to notify the proper authorities.

School staff will implement and maintain the following:

1. A site-specific disaster preparedness plan.
2. Training for all staff on the elements of the plan, as well as an instruction program in first-aid and CPR.
3. A stockpile of emergency and medical supplies, back up communication equipment, and two-days' worth of food and water at the school site.
4. Placards posted in classrooms and offices, which indicate evacuation routes.
5. Emergency cards on file for all students and staff.
6. Fire and drop drill maneuvers understood and drilled on a regular basis.
7. Established policy on the release of students to parents or guardian.
8. Clearly understood policy on the release of school and district staff and their emergency assignments.
9. Clearly outlined procedures for use of school facilities as emergency shelters.

Policy: Harassment Policy

Green Dot is committed to providing a learning environment that is free from harassment of any kind. Harassment of any student by another student, employee, or teacher is prohibited. The school will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential and thorough manner.

A charge of harassment shall not, in itself, create the presumption of wrongdoing. However, substantiated acts of harassment will result in disciplinary action, up to and including dismissal. Students found to have filed false or frivolous charges will also be subject to disciplinary action, up to and including dismissal.

Harassment occurs when an individual is subjected to treatment or a school environment that is hostile or intimidating because of the individual's race, creed, color, national origin, physical disability, or sex. Harassment can occur any time during school hours or during school related activities. It includes, but is not limited to, any or all of the following:

- **VERBAL HARASSMENT:** Any written or verbal language or physical gesture directed at a teacher or a student that is insolent, demeaning, and abusive or implicitly or explicitly implies a threat of bodily harm is totally unacceptable and shall be deemed harassment and will be dealt with as such.
- **BULLYING:** Any aggressive behavior that involves an imbalance of real or perceived physical or psychological power among those involved. Typically, the behavior is repeated over time and includes the use of hurtful words and/or acts. Bullying behavior may include, but are not limited to:
 - Verbal
 - Non-Verbal
 - Physical
 - Emotional/Psychological
 - Cyber Bullying
- **PHYSICAL HARASSMENT:** Unwanted physical touching, contact, assault deliberately impeding or blocking movements, or any intimidating interference with normal work or movement.
- **VISUAL HARASSMENT:** Derogatory, demeaning, or inflammatory posters, cartoons, written words, drawings or gestures.
- **SEXUAL HARASSMENT:** Includes unwelcome sexual advances, and other verbal or physical conduct of a sexual nature when any or all of the following occurs:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of a student's academic status or progress.
 - Submission to or rejection of such conduct by a student is used as the basis of academic decisions affecting the individual.
 - Such conduct has the purpose or effect of unreasonably interfering with the individual's academic performance or creating an intimidating, hostile or offensive educational environment.

It is the responsibility of Green Dot to:

1. Implement this policy through regular meetings with all administrators, ensuring that they understand the policy and its importance;
2. Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement;
3. Remain watchful for conditions that create or may lead to a hostile or offensive school environment;
4. Establish practices designed to create a school environment free from discrimination, intimidation, or harassment.

It is the responsibility of the student to:

1. Conduct herself/himself in a manner which contributes to a positive school environment;

2. Avoid any activity that may be considered discriminatory, intimidating, or harassing;
3. Consider immediately informing anyone harassing him/her that the behavior is offensive and unwelcome.
4. Report all incidents of discrimination or harassment to the Principal;
5. If informed he/she is perceived as engaging in discriminatory, intimidating, harassing or unwelcome conduct, to discontinue that conduct immediately.

Policy: Search and Seizure

Green Dot recognizes its responsibility to maintain order and security within its schools and during school-related activities. Accordingly, administrators or their designees are authorized to conduct searches of students and their personal effects, as well as the property of the school, in accordance with this policy.

STUDENTS AND THEIR PERSONAL EFFECTS: Administrators or their designees may search a student and/or the student's personal effects (e.g., purses, wallets, knapsacks, book bags, lunch boxes, etc.) when they are being carried by the student and when there are reasonable grounds for suspecting that the search will produce evidence that the student has violated or is violating either the law or the rules of the school. In addition, the reasonable grounds must be accompanied by particularized suspicion with respect to the individual to be searched. The search itself must be conducted in a manner which is reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. When feasible, the search should be conducted as follows:

1. Outside the view of others, including students
2. In the presence of a school administrator or adult witness
3. By a certified employee or administrator of the same sex

Immediately following the search of a student, documentation shall be made by the school authority who conducted the search indicating whether or not improper items were found. The parents/guardians of a student searched in accordance with this policy shall be notified of the search as soon as possible.

Green Dot Pubic Schools reserves the right to use canine services to proactively ensure a safe academic environment.

Green Dot may conduct a random metal detector weapon search at its schools if:

1. Green Dot determines that a substantial need exists to keep weapons off campus;
2. No system of more suspicion-intense searches are workable;
3. The searches are minimally intrusive in that students are not touched and are only required to open pockets or jackets if they trigger the metal detector (if clothes are extremely baggy, the clothes may be touched such that the wand is about 3-4 inches away from the student's person);
4. The persons searched are selected on neutral criteria; and
5. Parents and students are given prior notice of the practice.

SCHOOL PROPERTY: Green Dot authorities may inspect and search school property and equipment owned or controlled by Green Dot (such as, lockers, desks and parking lots), without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas.

SEIZURE OF PROPERTY: If a search conducted in accordance with this policy produces evidence that the student has violated or is violating either the law or the school's rules, such evidence may be seized and impounded by administrators, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

IMPLEMENTATION OF POLICY: Green Dot campus administrators may develop rules and regulations to further implement this policy.

Safety Policy

J. 13.0

Policy: Visitor Policy

Visitors and volunteers are welcome in our schools. Principals are responsible for managing involvement of volunteers and visitors in their respective schools, and for ensuring that the activities of visitors and volunteers do not result in undue disruption of the instructional program. It is also important that the presence of visitors and volunteers does not contribute to safety or security issues for students and staff members or for the visitors themselves.

- **Volunteers** include individuals who have been recruited by classroom teachers, Parent Coordinators or school administrators, and have received authorization from the principal (or principal designee)
- **Parents** function as volunteers, visitors or both, during their child's tenure in a school
- **Home Office and other support personnel** provide resource assistance to students and staffs in schools.
- **Visitors** include all individuals who are not in any of the above listed categories or are not employed by the school.

Note: All visitors, volunteers, school board members, parents and home office personnel are expected to comply with the procedures outlined in this policy.

Procedures:

The principal or principal's designee will:

1. Require all parents, visitors and volunteers to report to the main office of the school immediately upon entrance. This will allow the principal and school staff to account for all persons in the building, consistent with the above stated "purposes" of this directive.
2. Require all parents, visitors and volunteers to sign-in and sign-out on a Visitors and Volunteers Log. Uniformly, logs should solicit the following information: date, time (to include sign-in, sign-out); visitors name; purpose of visit, destination, and additional information the principal may require. This is for the safety of students, staff, as well as the individual in case of an emergency.
3. Provide all parents, visitors and volunteers with a visitor's badge to wear during their stay at the school. The school will make all reasonable efforts to ensure that the visitor reaches his or her stated destination. The badge is to be returned to the school office when the visitor or volunteer signs-out. Home Office and support staff are expected to wear their identification badges during visits to school buildings. No one is to be permitted to visit or volunteer without a badge.
4. Principals may ask any parents, visitors or volunteers who refuse to conform to visitors' procedures to exit the building. Parents, visitors and volunteers are not permitted to make impromptu visits to classrooms during the school day without the permission of a building administrator.
5. Require that visitors, who wish to observe instruction, pre-schedule classroom visits. The principal should consult with the classroom teacher(s) to arrange a requested visit. The final authority for the decision of when a visit will occur rests with the principal, who must determine whether the frequency of visits by an individual or group of individuals to a classroom cause disruption to the individual program.

Inform parents and school staff of the procedures outlined in these procedures and any additional procedures instituted, at the school level, to manage visitor involvement in the school. The principal shall transmit annually, in writing, all such information to parents and staff during the first two weeks of the new school year

Policy: FERPA and Tennessee Law

FERPA stands for the Family Educational Rights & Privacy Act administered by the US Department of Education. FERPA guarantees certain rights to families with respect to their children's education records. Tennessee's laws regarding open records, contained in T.C.A. § 10-7-504, further refine the requirements for handling student records and information.

Schools may use a unique student identifier instead of a student's social security number on official school records. In addition to protecting student privacy, unique student identifiers are used to improve the quality, accuracy, and reliability of student data. If you would like to use a unique student identifier, please contact your school's data information manager.

What are education records?

Education records include anything that contains information directly tied to a student (i.e. personally identifiable) and is maintained by a school or education organization. These records span formats and include both print and electronic information. The law distinguishes between "education records" and directory information.

What is directory information?

Directory information includes things that would generally not be considered harmful or an invasion of privacy if disclosed, such as name, address, photograph, and age. Directory information may not include things such as a student's social security number or grades. Schools are required to notify parents of what information they designate as directory information.

If appropriately designated, directory information can be disclosed to anyone. However, parents must have the right to 'opt out' of having their child's information released. Tennessee law does not allow for schools to identify student achievement as directory information. Therefore, schools cannot post honor roll or other academic information without consent.

Student Information Guidelines

K. 2.0

Policy: Annual Notification

Under FERPA, a school must annually notify parents of their rights. The annual notification must include information regarding a parent's right to inspect and review his or her child's education records, the right to seek to amend the records, the right to consent to disclosure of personally identifiable information from the records (except in certain circumstances), and the right to file a complaint with the DOE regarding an alleged failure by a school to comply with FERPA.

FERPA exempts disclosure of records to school officials with a legitimate educational interest from parental consent. Therefore, the school must also notify parents of its definitions of the terms "school official", and "legitimate educational interest." The annual notification may be published by various means, including any of the following: in a student handbook, at annual registration, in a letter/notice to parents, or on the school's website. Green Dot's directory information can be found in this handbook.

Student Information Guidelines

K. 3.0

Policy: Parent Access

Under FERPA, a school must provide a parent with an opportunity to inspect and review his or her child's education records within 45 days following the receipt of a written request. A school is required to provide a parent with copies of education records, or make other arrangements if necessary (e.g., the parent cannot travel to the school to view the record.)

Under FERPA, a school is not required to provide information that is not routinely maintained or to create new education records in response to a parent's request. Accordingly, a school is not required to provide a parent with special updates on his or her child's progress in school unless such information already exists in an education record.

Student Information Guidelines

K. 4.0

Policy: Amendment

Under FERPA, a parent has the right to request that inaccurate or misleading information in his or her child's education records be amended. While a school is not required to amend education records, it must consider all requests. If the school decides not to amend a record in accordance with a parent's request, the school must inform the parent of his or her right to a hearing on the matter. If, as a result of the hearing, the school still decides not to amend the record, the parent has the right to insert a statement in the record setting forth his or her views. That statement must remain with the contested part of the student's record for as long as the record is maintained.

The FERPA amendment procedure exists to challenge facts that are inaccurately recorded. It may not be used to challenge a grade, an opinion, or a substantive decision made by a school about a student. FERPA was intended to require that schools keep fair records, not to override the standards and procedures for making academic assessments, disciplinary rulings, or placement determinations.

Student Information Guidelines

K. 5.0

Policy: Confidentiality

Under FERPA, a school cannot disclose personally identifiable information from a student's education records unless the student's parent has provided written consent. However, there are a few important exceptions to that rule:

1. FERPA allows "school officials," including teachers, within a school to access personally identifiable information contained in education records provided the school has determined that they have "legitimate educational interest" in the information. School officials can include: teachers, administrators, support staff, nurse/health staff, etc. As mentioned previously, a school must define both "school officials" and what it deems "legitimate educational interest" in its annual notification to parents. A school official generally has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities.
2. Another exception permits a school to disclose personally identifiable information from a student's education records, without consent, to another school or district in which the student seeks or intends to enroll. The sending school may make the disclosure if it has included a statement that it forwards education records in such circumstances in its annual notification of FERPA rights.
3. For students who are in state custody (including foster care), the Tennessee Department of Children's Services may access a student's educational records without parental consent, and school districts are not required to notify the parents of the child before releasing the information pursuant to a court order.
4. Authorized school officials may release or permit access to a student's education record, without consent, in the following circumstances. School or district officials will make a reasonable effort to notify the student's parent(s) or the eligible student before making a disclosure:
 - a. To comply with a judicial order or lawfully issued subpoena;
 - b. To comply with the requirements of child abuse reports to the extent known by the school officials including the name, address, and age of the child; the name and address of the person responsible for the care of the child, and the facts requiring the report;
 - c. When certain federal and state officials need information in order to audit or enforce legal conditions related to federally-supported education programs in the school system;
 - d. When the school system has entered into a contract or written agreement for an organization to conduct scientific research on the system's behalf to develop tests or improve instruction, provided that the studies are conducted in a manner which will not permit the personal identification of students and their parents by individuals other than representatives of the organization and the information will be destroyed when no longer needed for the purpose for which the study was conducted;
 - e. To accrediting organizations to carry out their accrediting functions;
 - f. To financial institutions or government agencies that provide or may provide financial aid to a student in order to establish eligibility, to determine the amount of financial aid, to establish conditions for the receipt of financial aid, and to enforce financial aid agreements; when the persons to whom the information is to be disclosed are qualified and in a position to deal with the emergency;
 - g. To the Attorney General or his designee for official purposes related to the investigation or prosecution of an act of domestic or international terrorism. An educational agency that, in good faith, produces education records in accordance with an order issued under this Act shall not be liable to any person for that production;

- h. To any agency caseworker or other representative of a state or local child welfare agency or tribal organization authorized to access the student's educational records when such agencies or organizations are legally responsible for the care and protection of the student.

The need to maintain confidentiality implies that records should be stored in a safe and secure location. Student records are kept in a locked file cabinet or another location with equivalent security.

Policy: Directory Information

The Family Educational Rights and Privacy Act mandates that Green Dot adopt a policy identifying those categories of personally identifiable information from a student's education records considered to be "directory information," which may generally be released unless the parent/legal guardian notifies Green Dot, in writing, of his/her refusal.

"Directory information" is student information that is generally not considered harmful or an invasion of privacy if released. The primary purpose of directory information is to allow Green Dot to include this type of information from a student's education records in certain publications, which include, but are not limited to:

- annual yearbooks;
- graduation programs;
- Green Dot/school website(s);
- sports activity sheets showing weight and height of team members;
- honor roll or other recognition lists; and
- a playbill, showing the student's role in a drama production.

GDPS has designated the following student information as directory information

- name;
- address;
- telephone listing;
- electronic mail address;
- photograph;
- date and place of birth;
- grade level
- major field of study;
- dates of attendance;
- participation in officially recognized activities and sports;
- weight and height of members of athletic teams;
- degrees and awards received; and
- most recent previous school attended.

In addition, federal law requires that education agencies receiving assistance under the Elementary and Secondary Education Act of 1965 to provide military recruiters, upon request, with students' names, addresses and telephone listings, unless parents/legal guardians have advised Green Dot that they do not want their child's information disclosed without their prior written consent.

Directory information does not include a student's social security number or student identification number. However, Green Dot may disclose a student's identification number, user identification, or other unique personal identifier used to communicate in electronic systems, provided it cannot be used to access education records without a personal identification number, password, or other factor that only the authorized user knows. A student's social security number will not be used for this purpose.

Private schools and colleges/universities may be given the names and addresses of 12th-grade students and students who are no longer enrolled in a Green Dot school provided that the information is used only for purposes directly related to the institution's academic or professional goals.

If parents/legal guardians do not want Green Dot to disclose directory information from their child's education records without their prior written consent, they must notify their child's school site principal, in writing, by September 1, or within 30 days upon a student's enrollment. The request to withhold directory information is applicable only to the school year in which the notification was provided to Green Dot.

Policy: Research Requests

Green Dot recognizes the value of academic research to improve educational programs and practices that are aligned with Green Dot's mission and is likely to benefit Green Dot without disrupting the school program. The Executive Director or designee must give prior authorization for research projects within Green Dot or at any Green Dot schools. Researchers shall respect the privacy rights of students, including their right to refrain from participation in research projects in accordance with law and Green Dot policy. The Executive Director or designee shall ensure that parents/guardians receive prior notification of any surveys or evaluations that collect personal student information and that consent is obtained in accordance with law.

Persons or groups wishing to use Green Dot staff, students, or property in connection with an academic research project shall submit to the Executive Director or designee a written proposal which includes, but is not limited to:

1. name of researcher(s) and academic credentials;
2. purpose, scope, and duration of the project;
3. method of study or investigation to be used;
4. approval from the institution's internal review board;
5. extent of participation expected of students and staff;
6. a certification that the researcher(s) will not use the Green Dot name or brand in any publication of findings without prior approval from Green Dot;
7. use to which project results will be put; and
8. benefits to the school(s) or Green Dot.

The Executive Director or designee shall evaluate the proposal based upon, but is not bound solely by, the following factors:

1. shows potential for improving instructional programs and strategies;
2. addresses a relevant educational problem, concern or issue; and
3. is designed to minimize interruptions and demands upon the time of students and staff.

Should the Executive Director or designee grant permission for the research project, the researcher(s) shall adhere to the Green Dot Policies for volunteers, including, but not limited to, policies regarding Criminal Background Checks and Tuberculosis Testing.

Policy: School Surveys

The ASD requires that all operators administer the following school surveys:

- A.** School Culture and Student Safety Survey
 - New Schools: Twice per year (Winter and Spring)
 - Existing Schools: Once during Spring's MAP/Lexile testing window

 - Each ASD operator has the autonomy to select the survey content, but must include the following common question: "Overall, what grade would you give this school? (choices—A, B, C, D, F)?"

Surveys for research purposes shall be allowed by the ASD when the project is viewed as contributory to greater understanding of the teaching-learning process, the project does not violate the goals of the ASD and the disruption of the regular school program is minimal. All external party requests shall outline what is to be done, who is to be involved and how the results will be used and distributed. ASD Operators shall develop administrative procedures for approving requests of external parties to conduct surveys that are consistent with the following requirements:

- Parents shall have the right to inspect all instructional material that will be used for a survey, analysis or evaluation as part of a federal program.

 - h. Income.

Policy: Accommodations for Student Religious Practices

In accordance with Green Dot policy against discrimination and the Establishment Clause of the U.S. Constitution, students are entitled to excused absences for the observance of religious holidays provided that they adhere to the school's Attendance Notification Procedures and to the extent the accommodation does not place undue burden on the school. A student may be granted an "Excused Absence" for religious observance for no more than three (3) days per semester, and/or five (5) days total per school year. Students that are absent are responsible for making up any missed assignments.

If any additional accommodations are required, a student's parent or guardian must submit a written request to the Principal. The request must state: (a) the specific accommodation requested; (b) why the accommodation is needed and (c) the time and duration of accommodation. To the extent possible, students should fulfill their religious obligations during lunch or free periods. If a student must fulfill a religious obligation during class time, the Green Dot Principal should grant an excused absence for a limited, defined time. Students who are excused from class for religious needs must have an opportunity to make up any work, assignment or test missed as a result of their absence.

Such precautions include, but are not limited to, an Internet router system, which scans and limits access to Internet sites, a monitor scanning software allowing the instructor to view each student monitor from the instructor's monitor and instantly blank, lock, or deactivate the student's system. Any student intentionally attempting to or bypassing these precautions will be denied computer access. The discipline board or school officials will determine other administrative disciplinary actions. The student and his/her parents accept responsibility for the student's on-line actions. All other disciplinary policies of the School apply to the use of technological resources.

CONCERNING GENERAL USAGE: The School will report suspected criminal activity to law enforcement authorities. Policy: Field Trips and Student Travel

Green Dot recognizes that field trips and student travel are an enriching aspect of a student's educational experience. These guidelines are developed to ensure the safety of students and adult chaperones during student trips. Green Dot is interested in providing student travel that is educational in nature and provides student knowledge and experiences to supplement the school curriculum. Educational trips include but are not limited to visiting museums, businesses, universities, cultural exhibits, nature centers, and government agencies. Student travel should be avoided during the first three weeks and last two weeks of the academic year, the first or last two or any semester, or during exam week.

All student policies, rules and procedures are in effect during the period of student travel.

Students are not permitted to travel in private vehicles on field trips.

When a situation arises that poses a threat to the safety or welfare of the student participating in a trip, the school administrator will consult with supervising faculty to determine whether to cancel a trip.

FIELD TRIPS: All field trips require administrator approval. The nature, purpose, cost, and timing of the trip should be outlined for approval no later than TWO WEEKS prior to the trip. No arrangements should be made in advance of the Principal's final approval.

OVERNIGHT AND OUT-OF-STATE TRAVEL: The Principal must approve overnight trips at least ninety (90) days prior to the anticipated travel date. Only the Principal is authorized to approve or sign contracts with any travel agency.

Sponsoring faculty members are expected to generate and collect waivers and inform staff about participating students. The school administration can remove a student from the scheduled trip at any time prior to departure for academics, excessive absenteeism, behavior violations, and/or health safety concerns. Students shall not be excluded on the basis of a disability.

Overnight student travel requires appropriate supervision consisting of at least one adult chaperone for every seven student travelers. A minimum of two adult chaperones is required regardless of the number of students on the trip. Chaperones should be Green Dot Public School faculty and staff of adults approved by the administration. Chaperones commit to remaining with students to and from the travel designation and throughout the tour.

Parents/guardians of students participating on an overnight trip must be fingerprinted, and attend an informational session to review the objectives of the trip, standards of conduct required, clothing and equipment needs, responsibilities of students, costs for the trip, daily itinerary, and protocols for handling emergencies.

Policy: Solicitation by Outside Organizations

Green Dot has adopted the following policy limiting advertising and soliciting for any cause, charity or benefit not sponsored by a Green Dot group or organization.

1. Students may not sell tickets or solicit contributions in the school for any external agency or charity unless it is a beneficiary of a Green Dot-endorsed charity drive.
2. The distribution of commercial handbills, cards, or other handouts in or around the school building is prohibited.
3. The school's name is not to be used in any testimonial or advertisement in support of a commercial product or enterprise.
4. Broadcasting by a commercial firm of any sports event or recording for later broadcast of any musical event must be approved by the Principal.

Groups, companies, individuals and/or staff and associations interested in the solicitation and recruitment of Green Dot students for trips, tours, ski and camping expeditions, and other similar activities shall not solicit and recruit such students at any time on school premises. Compliance with this prohibition makes it necessary to prohibit the practices hereinafter enumerated:

- The written or oral identification of the activity as being a "Green Dot trip," including the identification of employees with such activity
- The publication of news articles or the publication of paid advertisements describing the activity in student newspapers
- The solicitation of students or the promotion of the activity during school hours and on school premises
- The promotion of the activity or the solicitation of students for such activities at any time on the school grounds
- The promotion of the activity or the solicitation of students by using school mailing lists or school records

Policy: Textbooks and Instructional Materials

Students assume full responsibility for the security and maintenance of their own textbooks. Should books be lost, stolen, damaged, or defaced after issuance to a student, that student will be required to pay a replacement fee before a new book is issued or at the end of the academic year. Students are required to keep textbooks covered and in good condition. Students may not write in or deface their textbooks.

Students may lose the privilege of participating in school activities due to lost or damaged or textbooks. These activities include, but are not limited to: dances, field trips, prom, and senior activities

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation as part of any applicable (instructional) program shall be available for inspection by the parents or guardians of students.

Policy: Transportation of Students

Green Dot is committed to transporting students safely and recognizes that, in addition to general busing of students by licensed bus drivers, situations arise that require student transportation by the staff of Green Dot or its family of schools. Such situations include transportation of students for:

- Green Dot or school-sponsored field trips, excursions, or other extracurricular activities (e.g., athletic competitions); and
- compelling circumstances (e.g., an emergency situation reasonably requiring action to help ensure student safety and/or health).

Without preventative measures, the foregoing situations may expose Green Dot to potential legal liability. Unconventional transportation arrangements (e.g., staff driving students home after an extracurricular activity), or students being left on or near campus without transportation, elevate the risk of liability to Green Dot and its family of schools. To help avoid such liability, employees of Green Dot or its family of schools shall not transport students in their personal vehicles unless the:

- student's parent has completed the Transportation Permission and Release of Liability Form and returned it to the student's school of attendance; and
- the driver has completed the Employee Driver Agreement, which has been approved by an administrator at the employee's assigned school.

Policy: Uniform Complaint Procedures

PURPOSE

Green Dot recognizes the primary responsibility to ensure its compliance with applicable state and federal laws and regulations governing Green Dot's educational programs. Accordingly, Green Dot shall investigate complaints alleging failure to comply with such laws and regulations, or alleging unlawful discrimination, harassment, intimidation, or bullying.

Further, Green Dot shall seek to resolve any complaint alleging unlawful discrimination, harassment, intimidation, and/or bullying in Green Dot programs based on actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or based on association with a person or group with one or more of these actual or perceived characteristics.

Green Dot will disseminate this policy annually to Green Dot employees, students, parents/guardians, appropriate school officials or representatives, school advisory committees, and other interested Green Dot parties.

FILING A COMPLAINT

Prior to filing a formal complaint, Green Dot encourages the early, informal resolution of complaints at the school site level whenever possible.

Any individual public agency, or organization may file a written complaint that alleges a violation of federal or state laws or regulations governing Green Dot's educational programs or unlawful discrimination as identified above.

A complaint concerning unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges that he or she personally suffered unlawful discrimination, harassment, intimidation, or bullying, or by a person who believes that an individual or any specific class of individuals has been subjected to it. Such a complaint must be filed no later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. However, upon written request by the complainant, the school principal or designee may extend the filing period for up to 90 calendar days.

Complaints are to be submitted, in writing, to the principal at the school at which the alleged violation occurred. Such complaints must include the following:

- The underlying facts;
- Details, such as the name(s) of the those involved (including witnesses) as well as the date(s) and location(s) of the incident or alleged violation;
- Information regarding any attempts to address the complaint at the school site; and
- Copies of written documentation or evidence that may be relevant or supportive of the complaint.

Any individual who is unable to prepare a written complaint (e.g., disability or illiteracy) can receive assistance from the school site administrator or designee, or by contacting the schools site at which the alleged violation occurred.

Green Dot shall maintain confidentiality of the involved parties to the maximum extent practicable without obstructing the investigation. Green Dot prohibits any form of retaliation against any complainant in the process.

Participation in the complaint process shall not in any way affect the complainant's status, grades, or work assignments.

COMPLAINT INVESTIGATION AND FINAL RESPONSE

Green Dot shall complete an investigation and provide a written final response within 60 calendar days from the date of receipt of the complaint by the school principal unless the complainant agrees, in writing, to an extension of the timeline. The principal or designee shall provide the complainant and/or his or her representative with an opportunity to present the complaint and any evidence, or information leading to evidence, to support the allegations in the complaint. The principal or designee also shall collect all documents and interview all witnesses with information pertinent to the complaint.

A complainant's refusal to provide the principal or designee with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

Green Dot's final response shall include the following:

- The finding(s) of fact based on the evidence gathered;
- The conclusion(s) of law;
- Disposition of the complaint;
- Rationale for such disposition;
- Corrective action, if any are warranted; and
- Notice of the complainant's right to appeal the final response within 15 calendar days to the Green Dot Public Schools Tennessee Board of Directors and procedures to be followed for initiating such an appeal.

The principal of the school at which the complaint was filed shall maintain a record of each complaint and subsequent related actions, including, but not limited to, Green Dot's final response.

APPEAL

The complainant has a right to appeal Green Dot's final response to the Green Dot Public Schools Tennessee Board of Directors with a written appeal within 15 calendar days from the receipt of Green Dot's final response. The appeal shall specify the basis for the appeal and whether the findings of facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the original complaint filed with Green Dot and a copy of Green Dot's final response.

Policy: English Language Learners

English Language Learners (ELL) are non-English language background students whose level of oral, reading, and written proficiency in English does not allow them to fully benefit from the curriculum and creates difficulty in regular classroom curriculum without specially designed modifications. ELL students have not yet met the definition of fluent English proficient (FEP). If the inability to understand, speak, read, or write the English language excludes a student from effective participation in the educational programs offered by the school, the school shall take appropriate action to rectify the English language deficiency in order to provide the student equal access and participation in its programs. The school shall develop and periodically update a local plan for providing ESL services for students whose native or dominant language is not English. The plan for implementation of appropriate instruction and ESL services for students who have limited English proficiency shall be in accordance with the current Rules, Regulations, and Minimum Standards of the State Board of Education, and state, and federal law.

Policy: Homeless and Migrant Students

Educational services will be provided for homeless or migrant students in accordance with local, state and federal guidelines. A homeless child lacks fixed, regular and adequate residence or has a primary residence in a supervised publicly or privately operated shelter for temporary accommodations, a public or private place not designated for use as regular sleeping accommodations for humans.

By federal law, students who lose their homes shall continue in the building they attend for that entire school year. Transportation must be provided, within reason, if requested. Transportation should be from a temporary residence, shelter or transitional housing. Foster placement also qualifies under the law. Contact school leaders to begin the process who will then, in turn, notify the coordinator for transportation services to set up transportation. It is important to notify all parties involved of any changes to the family's housing status.

Policy: Special Education

The ASD is the local education agency (LEA) for all students with disabilities (including students eligible for IEPs or 504s) geographically zoned to attend schools operated by the ASD. Green Dot offer a full continuum of service options to meet the needs of all students. Unless otherwise required by a student's individualized education program (IEP), all students with disabilities may attend the same zoned school as her or his nondisabled peers, as the vast majority of special education needs can be met in the Least Restrictive Environment (LRE) at any ASD school. In situations where an IEP team (including the parent/guardian) decides a placement outside the ASD is in the best interest of the student, the home school remains responsible for monitoring the service provisions and IEP compliance for the student. Each school shall provide access to a free appropriate public education to all disabled children ages 3-21, inclusive, residing within the jurisdiction of the school system.

The plan for implementation of appropriate instruction and special education services shall be in accordance with the current rules, regulations and minimum standards of the State Board of Education, and State, and federal law. Administrators, principals and teachers are responsible for providing an IEP or 504 Plan for each disabled student and for adhering to all components of the plan. Each ASD school will annually distribute and maintain a copy of "Procedural Safeguards" for all students with disabilities.

EXTERNAL PLACEMENT: Schools are expected to develop Special Education programs within their school to support the needs of enrolled students. In the rare case, when a student's needs are so extreme that the school is not equipped to provide the most appropriate services, Green Dot Public Schools may externally place, or partner with outside Service Providers (e.g., SCS, MNPS, or private providers) to provide appropriate services with the cost to be billed to the Operator.

Policy: Student Study Team

The Student Study Team is an efficient and effective way to bring together all resources, human and programmatic, to support students having difficulties in regular classes. This is a concentrated solution-seeking meeting where all the needed persons, including the student and parent, are present at the same time. The SST is an expression of the school's concern for students and provides a supportive atmosphere for students to become actively involved in determining their own needs and in implementing strategies designed to help them.

The goals of the SST are to:

- Work with the student and parent to identify causes of poor academic performance, disruptive behavior, and potential developmental problems
- Work with the student and parent to identify viable interventions that could occur before a student's poor academic performance results or behavior issues
- Discuss a variety of academic interventions and/or positive behavioral reinforcements and develop strategies that have a high likelihood of positive academic and behavior performance
- Inform parent and student of the referral process, where the student is in the process and the consequences of further poor academic performance and/or disruptive behavior
- SSTs are also established to fulfill requirements of current federal and state legislation.
